

OFFICE OF THE MAYOR

June 2008

Dear Friends:

On behalf of members of Council and the residents of the City of Mississauga, I am pleased to extend greetings to the organizers and participants of the third year of TELUS MOSAIC, the South Asian heritage festival.

MOSAIC is a unique festival that celebrates the cultural richness of Canadians originating from Afghanistan, Bangladesh, Bhutan, India, Pakistan, Nepal, Sri Lanka and the Maldives. Supported by the City of Mississauga, this event showcases established and emerging artists in traditional and contemporary fields such as music, dance, film, literature and much more.

As Canada's sixth-largest city, Mississauga is home to a large and vibrant South Asian community. It pleases me to see the celebration of the South Asian community and their cultural heritage at such a lively and entertaining event.

Once again, on behalf of my colleagues on Council and the residents of the City of Mississauga, best wishes for a successful event.

Sincerely,

HAZEL McCALLION, C.M.
MAYOR
